How to Shop

Here's the skinny: plants bring people joy. They elevate your space, your mood, your creativity. And we're here for that. We're also here to make the process of bringing plants home as seamless as possible. Whether you're in the market for a big, leafy plant to anchor your living room or a pint-sized waxy succulent for your desk, we're delighted to be a part of your road to happiness.

Petite White Orchid

Often called the beginner orchid or 'moth orchid', the popular pet-friendly Phalaenopsis orchid is one of the easiest varieties of orchids to grow as a houseplant.

Pink Anthurium

Anthuriums are the world's longest blooming houseplant – they are rarely without their showy blooms! Each bloom can last up to eight weeks, and new ones will pop up often.
